Dark Dreams sits on a separate branch by itself. The stories in the Dark Matter anthology (I have only read the first Dark Matter) cover all forms of speculative fiction (that's science fiction for older folks like me). Dark Dreams focuses on stories about things that go bump in the night and wide awake nightmares.

so this is a Vampire Anthology courtesy of some of my favourite dark authors. This collection really has something for everyone and each story delivers a slightly different flavour. In regards to the actual content here well, these are dark macabre tales filled with dubious and non-consent and questionable behaviour throughout so know your limits and be aware before jumping on this crazy train.

Bite Me: A Vampire Anthology by Addison Cain

This is the seventh book in the series. It tells the story of how Falcon Amiras and Sara Marten came together. She's known him since she was fifteen. Every night, he is with her: his face, his voice. Tonight, Sara Marten will meet the man who is both angel and demon, salvation and temptation: Falcon—the Carpathian, the banished hero. Tonight, Sara will meet the dark-eyed destroyer destined ...

I described this one as "a dark, poetic phantasmagoria of nightmarish images, brutal violence, and unholy sensuality not to be missed." 2. The Shake by Mel Nicolai (2010) This brilliantly understated novel—self-published by Nicolai in 2010—is a blend of vampire fiction, noir mystery, and deep existential speculation.

J.R Ward's The Story of Son is easily by far the best story in this anthology. It is one of the two novellas in this collection that actually features vampires and is the story of a career-orientated lawyer who gets kidnapped by her elderly client in order that she should become breakfast, lunch and dinner for the client's vampire son.
