Impact and Aftermath of Partition The partition of India left both India and Pakistan devastated. Riots erupted, and looting broke out widespread. Women were raped and battered by both the Hindus and Muslims, and trains full of battered women and children would arrive between the borders of India and Pakistan daily.

Partition Of India - SlideShare

In August 1947, when independence was granted to the former imperial domain of British India, it was partitioned into two countries - India and Pakistan. India had been the largest possession of the British and a subject of the British Crown since 1858, when the East India Company's reign had been brought to an end in the wake of the Uprising and Revolt of 1857 against the Company rule.

Partition of India - 1947 Partition, History - India ...

Partition also lives on in unresolved questions about the place of religious minorities within India and Pakistan. In India, where there remains a very substantial Muslim minority population, the Constitution makes explicit a commitment to secularism, and to a separation of religion from the institutions of the state.

India-Pakistan Partition News | Today's latest from Al Jazeera

The Partition of India in 1947 is one of the great forgotten tragedies of the 20th century. It occurred when India became independent from the British Empire and the territory was broken into India and Pakistan. As part of this process, the north-eastern Indian region of Bengal was split in half along religious lines into East and West Bengal.
