I haven't seen any of these, which come at college textbook prices.

pattern making 2 - Sewingplums

I was intrigued by the Patternmaking title since I'm a self taught pattern maker. I've used a very of tutorials, technical textbooks and classes in my own practice, but I was curious about what a book designed for the layperson would look like. I was not disappointed. Patternmaking walks you step by step through the pattern making process.
