Peaceland: Conflict resolution and the everyday politics ...

I made a number of faux pas during my first day as an international intervener in a conflict zone. In July 2000, I arrived in Kosovo for a six-month mission and was preparing to attend my first coordination meeting with representatives of the United Nations, non-governmental organizations, donors, and military contingents of the North Atlantic Treaty Organization.

Introduction - Peaceland

This book suggests a new explanation for why international peace interventions often fail to reach their full potential. Based on several years of ethnographic research in conflict zones around the world, it demonstrates that everyday elements - such as the expatriates' social habits and usual approaches to understanding their areas of operation - strongly influence peacebuilding effectiveness.
