In part two, "Knowledge and Method", thought-provoking essays by different partners demonstrate the diversity of methodology and opinion that remains Pentagram's hallmark. The book then examines Pentagram's output in everything from product design and architecture to graphics, packaging and art direction, and discusses the importance and implications of the client/designer relationship.

Profile: Pentagram Design: Amazon.co.uk: Bierut, Michael ...

Although “Pentagram” refers to only the star itself, it is generally depicted enclosed in a circle. While this circle is very important, just the star itself is sufficient. The Pentagram, naturally, adheres to the Golden Ratio, and is constructed on five straight lines. The regular pentagon in the middle is 108 degrees at each inward angle.

The Pentagram and Its Many Meanings! - Between The Pillars

The pentagram has no historical ties to evil or “Satan-worshipping”, and was simply given a bad name due to Hollywood and the emergence of the “Church of Satan”, who used the upside down pentagram with a goat head to symbolize their church (seen below) The “Church of Satan”, however, does not worship the devil or any evil presence (or believe in doing evil), they’re just atheists.
