Perspectives on International Relations: Power, Institutions, and Ideas Henry R. Nau Students focus on the ways the different perspectives shape our understanding of the root causes of historical events and current controversies in world affairs, and learn to think critically about the world's most urgent issues.

Perspectives on International Relations: Power ...

"Perspectives on IR is my preferred introduction to international relations textbook because it accomplishes the difficult task of wedding theory to practice without going overboard in either area. I have used several different intro to IR texts since I began teaching my course before settling on this one--the right mix of theoretical arguments and practical examples is quite rare.
