Engine alarm - Marine Engine

Re: Alarm Beep Driving me crazy on '97 Sea Ray with Mercruiser 4.3 Alpha 1 One can assume that the reason you need to leave the key in the RUN position with the engine not running is that the stereo system is wired that way. If this is the case, why power the stereo AND the ignition that way. Wire the stereo to the fuse panel.

Alarm Beep Driving me crazy on '97 Sea Ray with Mercruiser ...

Re: Help With Searay alarm Thanks for all the help. I have cleared the codes with a mercruiser scan tool and code 81 keeps returning. If i disconnect the main engine harness alarm does go away because the ecm grounds the alarm so i am just taking the ground side away from the alarm.
