International Engines - Adelman's Truck Parts

The T444E is one of the most popular engines found in school buses between 1994 and 2004. This engine was used as the base platform for Ford's 7.3

Powerstroke as well, sharing almost all mechanical components. The T444E replaced the 7.3 IDI that was produced between 1982 and 1993, and is an all new engine with essentially no parts in common.
