Dr. Michael Stone, Md - The Anatomy of Evil

Michael Stone, a forensic psychiatrist and professor at Columbia University, is a point of reference as far as the knowledge of the “anatomy of evil” goes. It was he who developed the scale of evil, a tool which is as curious as it is striking.

Scale of evil - are there different levels of evil applied ...

The Anatomy of Evil is THE definitive work on killer psychology and likely will remain so for a while to come. It also tackles the difficulty of defining evil itself, the causes, effects and way society can deal with it. Stone's style, while academic, is not beyond the understanding of the casual reader.
